Dear Mr. Dolan:

The Army Effects Bureau has received from a Graves Registration Officer overseas three keys, some souvenir coins and funds, belonging to your brother, Sergeant Charles F. Dolan.

These personal effects were found on Sergeant Dolan's remains at the time of disinterment. The funds represent the converted value of foreign currency which was in his possession at the time of casualty. Due to the circumstances of recovery, one of the keys is damaged by rust and the coins are slightly tarnished.

I will appreciate your completion of the inclosed form to enable disposition of the funds. Also, please advise me whether you wish the keys and coins sent you. If so, they will be forwarded with an Army Effects Bureau check covering the above-mentioned funds.

For your convenience, there is inclosed a self-addressed return envelope which requires no postage.

Sincerely yours,

Dear Mr. Dolan:

The War Department is most desirous that you be furnished information regarding the burial location of your brother, the late Sergeant Charles F. Dolan, A.S.N. 32 337 024.

The records of this office disclose that his remains are interred in the United States Armed Forces Cemetery Ipswich, grave 308. You may be assured that the identification and interment have been accomplished with fitting dignity and solemnity.

This cemetery is located at Brisbane, Australia, and is under the constant care and supervision of United States military personnel.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide all legal next of kin with full information and solicit their detailed desires.

Please accept my sincere sympathy in your great loss.

Dear Mr. Dolan:

Inclosed herewith is a picture of the United States Armed Forces Cemetery Ipswich, Australia, in which your brother, the late Sergeant Charles F. Dolan, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Dear Mr. Dolan:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 30 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form to this office.

The War Department is obliged to inter in permanent U. S. Military Cemeteries the remains of World War II Dead whose next of kin do not request their return to the United States for final burial. After burial in a permanent American Military Cemetery overseas, the next of kin will be mailed the interment flag that was actually used during the military funeral service and advised of the name and the location of the cemetery, together with the plot, row and grave number in which final interment was made.

If the form, "Request for Disposition of Remains," or a reply to this letter is not received from you within fifteen days, the War Department will proceed on the assumption that you do not wish the remains returned to the United States for permanent burial.

Sincerely,

GEO. A. HORKAN
