Dear Mrs. Marshall:

The remains of your loved one have been permanently interred as recorded above among comrades who also gave their lives for their country. Customary military services were conducted over the grave at the time of burial.

The cemetery is under the control of the Department of the Army and responsibility for permanent construction, beautification and perpetual maintenance, including appropriate marking of the grave, will rest with the Army. During these operations, which will extend over a period of several months, visits to the cemetery are not encouraged.

You have received, or will receive, a communication from the cemetery superintendent indicating the type of permanent grave marker to be installed as well as the name and other pertinent data to be inscribed thereon.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the gravesite will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Marshall:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Dear Mrs. Marshall:

Inclosed herewith is a picture of the American Military Cemetery Kalakunda, India, in which your husband, the late Captain Warner Marshall Jr., A. S. N. 0 909 665, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,

Washington 25, D. C.

Dear Colonel Wildman:

Reference is made to previous correspondence regarding personal effects of Captain Warner Marshall, Jr.

The property of Captain Marshall, consisting of the following items, was received at the Army Effects Bureau and mailed on July 10, 1944 to Mrs. Nina T. Marshall in your care:

1 Crash Bracelet	1 Fountain Pen
1 Ring	1 Cigarette Case
1 Collar Pin	

I sincerely regret the delay in not informing you of our action previously; however, we were awaiting response to tracer relative to Captain Warner's watch about which you inquired.

Inasmuch as information from overseas indicates there is no record of any possessions belonging to Captain Marshall other than those listed above, apparently the watch was not recovered.

I regret the circumstances necessitating this correspondence.

Yours very truly,

Captain Warner Marshall, Jr. (O-909665) of this division was killed in an airplane accident at Laminirhat, India, on December 12, 1943, while on a tour of inspection of that theater following his attendance at the Cairo conference.

Captain Marshall was my assistant and my close personal friend, and I have been delegated as the officer to supervise the disposal of his effects.

I have recently returned from a tour of the China-Burma-India theater and learned from General Stratemeyer, and others of General Stratemeyer's staff who were acquainted with the details of Captain Marshall's death, that while most of his effects were destroyed in the fire which followed the crash of the plane, certain personal belongings were salvaged and forwarded to you for distribution. As I understand it, the items forwarded to you were Captain Marshall's silver cigarette case, (given by me to Captain Marshall), a wrist watch, and a silver wristlet identification badge. I further understand that these showed severe evidence of damage from fire and I would like to have all possible traces of this removed before these effects are forwarded to Captain Marshall's widow, Mrs. Warner Marshall, Jr., 1701 Massachusetts Avenue, NW, Washington, D. C.

May I therefore request that you forward these articles to me at the above address, as the officer in charge of Captain Marshall's effects, and I will send them to a firstclass jeweler for refurbishing before they are passed on to Mrs. Marshall. I have discussed this procedure with Captain Marshall's brother, the Reverend Malcolm Marshall, of the National Episcopal Cathedral here, and he entirely approves of what is proposed.

I will appreciate advices from you in this matter at your earliest convenience.

Very truly yours,

Captain Warner Marshall, Jr. (0-909065) of this division was killed in an airplane accident at Lumberton, Idaho, on December 12, 1943, while on a tour of inspection of line theater following his assignment at the Cairo conference.

Captain Marshall was my assistant and my close personal friend and I have been delegated as the officer to supervise the disposal of his effects.

I have recently returned from a tour of the China-Burma-India theater and learned from General Spurnovey, and others of General Spurnovey's staff who were acquainted with the details of Captain Marshall's death, that while most of his effects were destroyed in the fire which followed the crash of the plane, certain personal belongings were salvaged and forwarded to you for distribution. I understand if the items forwarded to you were Captain Marshall's silver cigarette case, (given by me to Captain Marshall), a wrist watch, and a silver wristlet identification badge. I further understand that these showed no evidence of damage from fire and I would like to have all possible traces of this removed before these effects are forwarded to Captain Marshall's widow, Mrs. Warner Marshall, 55, 1701 Massachusetts Avenue, N.W., Washington, D.C.

May I therefore request that you forward these articles to me at the above address, as the officer in charge of Captain Marshall's effects, and I will send them to a trusted jeweler for refurbishing before they are passed on to his widow. I have discussed this procedure with Captain Marshall's brother, the Reverend Wilson Marshall, of the National Episcopal Cathedral here, and he entirely approves of what is proposed.

I will appreciate advice from you in this matter at your earliest convenience.

Very truly yours,

Frederick S. Willman
